The Macarthur District 4WD Club Inc. is a family club which is involved in a mixture of 4WD driving, driver education and training, camping, camp cooking advise, social events, competitions and day trips. The club has approx 80 family members and it's main emphasis is on having a good time.

We are based in the Macarthur District of Sydney.

This is in the Camden – Campbelltown Area

There are organised day and weekend trips. These range from easy to hard, catering for the novice to the experienced drivers. Therefore you have a choice on the type of trip to attend. Be assured, help and guidance is always available from the training officer or other experienced members. We are conscious of the environment and believe in looking after the bush, as we want it to be there for our children and grandchildren to enjoy.

We encourage all prospective members to participate in a club trip prior to membership commitment as an introduction to the club. Membership is open to all people interested in 4WD driving and current annual membership is \$70.00 with an initial joining fee of \$10.00. A discounted fee applies to members joining from December to July. Membership is renewable on the 1st of July.

Membership with our club entitles you to discounts from most club sponsors, along with immediate membership with both State and National Recreational Four Wheel Drive Club Associations. Being a member of these associations enables you to access FWD specific insurance packages for your 4WD. Please Note: premiums vary from vehicle to vehicle. The choice is yours.

To find out more about the club, please check our website on www.macarthur4wd.net or you are invited to attend one of our general meetings.
